Where to get obsidian?

Where can you get obsidian? You have a few options.

1. Buy it in the server shop!
2. Go to a cave and dig it up in a lava pool!
3. Create an impossible to create Obsidian generator (new Minecraft physics laws have decided to break the Obsidian generator)
4. There is a place where there is more Obsidian than anywhere else in Minecraft. You should know!
5. Wait till 1.17 they have surprises for you here.
