Buying Spawners

Spawners can be purchased at spawn, at the Spawner merchant!

The merchant will tell you the exact current price of a spawner in Gold blocks!

Spawner upgrades

Spawners can be upgraded after you purchase them! Some features;

- Change entity type
- Increase interval of mobs spawning from spawner within set time.
- Increase Nearby entities / Bigger groups of entities
- Player distance upgrades, ensuring to spawn mobs even when far away!
- A bit more you will figure out yourself in time.

To upgrade a spawner, right click on it to open the Spawner menu:

Do not be confused my friend!

The currency symbol $ is displayed, this is a plugin limitation. $1 = 1 gold ingot bar.
So in example: **$ 256 to change the mob type to a Creeper, is 256 gold ingot bars.**
